“ Sorry for your loss. I want to take a moment to leave some scriptural encouragement that I really appreciate. Jesus taught that someday all those in the grave will be resurrected this is found at John 5:28. Our Grand Creator remembers our dead loved ones in every detail and He is ready to restore them to life. In harmony with God's original purpose, those resurrected as humans will have the opportunity to live on a paradise earth with perfect health and everlasting life as stated at Revelations 21:3&4 and Psalms 37:9-11 and verse 29. I hope that you will find comfort, strength and inner peace from these scriptures.
