“ She was the greatest person anyone would ever had know! She was loved by all that knew her. She all was had a smile and a hug for everyone. She tried to feed all that came to the food pantry. The one thing she cherished of all was her food pantry. The reason the loved it so much she would tell you is that went hungry once and she was not going to let any one else go hungry like she did. That is why we are still trying to keep the food going at the pantry. I did love her greatly I will miss her dearly she is still asked for by the older ones that come by te food pantry and know they will miss her as much as we will. I hope to see people come by from the pantry too. we do miss and love her and I know God has her and is keeping her safe from all things that mighth hurt her.

“ I'll never forget you Granny, or that kind open heart of yours that God blessed us all with. You opened your heart to many that some of us wouldn't give a second glance.You saw a need, and fed the hungry. You saw a need, and clothed the naked. You saw a need and shared the love of Jesus to all who crossed your path. You were an awesome woman of God. Rest in Peace my friend, until we meet again.
